RE: 1996-1997 ANNUAL REPORT
DATE: JUNE 20, 1997

Attached you will find the Narrative/Statistical Annual
Report for the 1996-1997 academic program year.

I. INTRODUCTION

I started working at ASPIRA Inc. Of New Jersey on October 7, 1997 as the Leadership Development Counselor/Coordinator of the Jersey City Center. As the ASPIRA counselor assigned to two schools, I spent Tuesday's and Thursday's at James J. Ferris High School from 9:00am-2:00pm and Monday's and Wednesday's at Dr. Michael Conti School from 9:00pm-5:00pm and 9:00am-2:00pm respectively.

My main purpose and responsibility was to encourage and guide Aspirantes to fulfill ASPIRA's mission in developing their leadership skills while furthering their education beyond high school. To help complete this mission I offered assistance to the students in areas such as the college application process, financial aid process and personal counseling. I also offered guidance to students academically by pairing up students within the club to give tutoring services in different subject areas.

Note: Additional responsibilities also include implementing a cultural program that will run throughout the summer and supervising the SYETP.
